

ZK-D180

Compact Size Handheld Metal Detector

Introduction

ZK-D180 is the ZKTeco self-developed compact size hand held metal detector featured with a detection indicator right in the middle of its main body detecting the sizes of detected objects and visualizing in different color (Green to Red), a perfect tool for speeding up security process. The controllable sound and vibration effect is another highlight, security guard can identify the potential dangerous quietly.

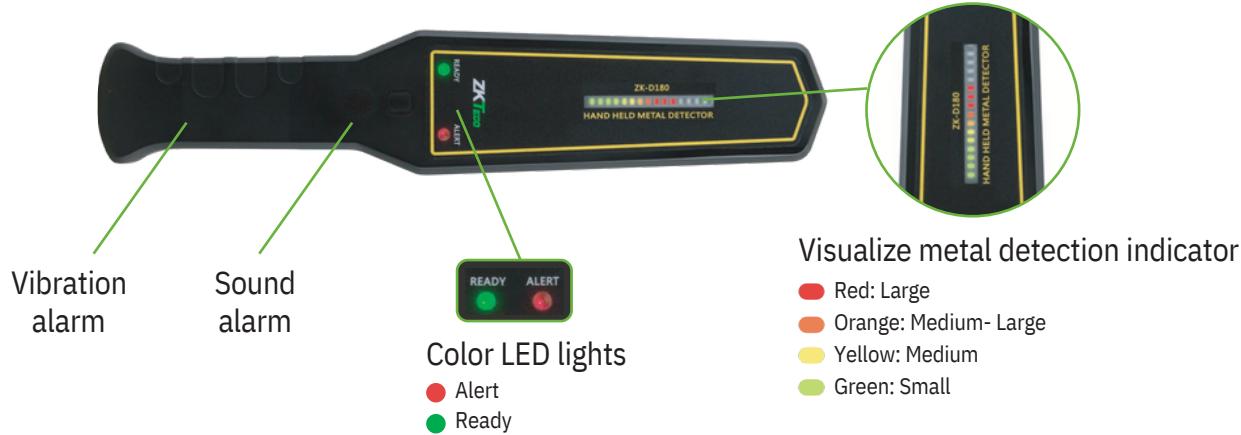

Features

- Compact size, Portable;
- High sensitivity, able to detect object as small as a stamp;
- Visualize metal detection indicator;
- Rechargeable battery and charger;
- Extra-long working hours with single charge (Up to 40 working hours);
- Controllable sound and vibration effect;
- 10 levels sensitivity adjustment available.

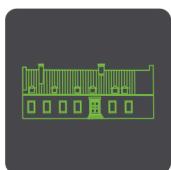

Technical Specification

Dimension(L*W*H)	345*69*25mm
Power voltage	9V Rechargeable battery
Operating voltage	7V-9V
Operating current	<50mA
Power Consumption	<300mw
Rechargeable Batteries	6Hrs to be fully charged ; Supports 40Hrs of operation
Alarm terms	Sound & light alarm/ Vibration & light alarm
Alarm sound	$\geq 75\text{dB(A)}$
Operation frequency	47KHz
Operating Temperature	-10°C to +65°C
Main Material	ABS
Dimension with Packing(L*W*H)	420*50*90mm
Weight with Packing	420g
Net Weight	260g

Functions

Applications

Exhibition Centre

Bank

Factory

Customs Department

Casino

Prison

Government Office

Hotel

Airport

Warehouse
